The diagram shows two class boxes. The top box, 'UITableViewController', is white with a thin black border and is divided into three horizontal sections. The bottom box, 'ProfileViewController', is gray with a thick black border and is also divided into three horizontal sections. A blue arrow with an open triangular head points from the top of the 'ProfileViewController' box to the bottom of the 'UITableViewController' box, indicating that 'ProfileViewController' inherits from 'UITableViewController'.
