

FacebookSDK

The diagram illustrates the structure of the Facebook SDK. It features a large outer rectangle with a light purple background and a black border, labeled 'FacebookSDK' at the top center. Inside this rectangle is a smaller, horizontally-oriented rectangle with a white background and a black border. This inner rectangle contains three elements: a yellow box on the left labeled 'PrivateHeaders', a yellow box in the center labeled 'Headers', and the text 'FBSDKCoreKit.framework' on the right.

PrivateHeaders

Headers

FBSDKCoreKit.framework
