

Nocilla

```
graph LR; subgraph Nocilla; subgraph Components; NSURLSession; NSURLRequest; ASIHTTPRequest; Hooks; end; end;
```

The diagram illustrates the architecture of the Nocilla library. It is represented as a large light purple rectangle with a black border. Inside this rectangle, at the top center, is the label "Nocilla". Below this label, there is a smaller, horizontally-oriented light purple rectangle, also with a black border. This inner rectangle contains four components arranged horizontally: "NSURLSession", "NSURLRequest", "ASIHTTPRequest", and "Hooks". The first three components are each enclosed in a white rectangle with a black border, while "Hooks" is represented by text within the inner rectangle's background.

NSURLSession

NSURLRequest

ASIHTTPRequest

Hooks
