    NSObject <|-- FBAdCustomSize
```

The diagram illustrates a class hierarchy. At the top is the 'NSObject' class, represented by a white box with a black border and two empty internal compartments. Below it is the 'FBAdCustomSize' class, represented by a gray box with a black border and two internal compartments. The top compartment of 'FBAdCustomSize' contains the text 'FBAdCustomSize', and the bottom compartment contains '+ customSize:'. A blue line with an open triangle arrowhead points from the top of the 'FBAdCustomSize' box to the bottom of the 'NSObject' box, indicating inheritance.
